

Dear OSAS Foster Care Provider:

This time of year is a very busy time for OSAS. Well actually there isn't a slow time!

But we are in need of foster homes that are willing to train our horses. We cover expenses incurred for vets and blacksmithing and a training board fee of \$10 per day. This can be paid directly to you or if you wish you can donate those services and receive a tax receipt, whichever works best for you! All foster farms must have a minimum of \$1 million liability insurance. All grain is supplied by Purina.

Please complete the following questionnaire and return it to the office as soon as possible. We are in need of foster care in the next few weeks. It is customary for us to move horses from one foster home to another after a period of time. This often helps them to get adopted.

- Yes, I am willing to provide foster care
- Yes, I am able to transport horses from their current residence to my home or others
- Yes, I am interested in assisting in the retraining of horses that are in my care
- My farm is best suited for \_\_\_\_ mares \_\_\_\_\_ geldings \_\_\_\_ either
- More than one horse if yes how many \_\_\_\_\_
- Turn out requirements is limited to # of hours per day \_\_\_\_\_
- Pasture board only \_\_\_\_\_ Stall available \_\_\_\_\_

Anything else you require from OSAS? \_\_\_\_\_

*Thanks for your assistance. We couldn't do this without you!*

Sincerely,

The Standardbred Adoption Society
